## PROFESSIONAL EXPERIENCE

### • Full Stack Web Developer (OCT 2021 - PRESENT)

**Xurpas Enterprise Inc.**

Working on both the backend and frontend simultaneously. Developing backend APIs to support the frontend. Applying and implementing best coding practices while also handling minor server management tasks.

### • Mid Web Developer (JUNE 2020 - OCT 2021)

**Straight Login Inc.**

Developed websites and resolved product issues. Led a team, made strategic decisions, and wrote optimized code across various frameworks. Assisted team members in solving coding problems and deploying secured websites.

### • Jr. Laravel Developer (April 2019 - April 2020)

**Commude Philippines, Inc.**

Coordinated with the development team to resolve critical issues and fixed bugs in the company's product promptly after reviewing client complaints. Worked under the supervision of a senior programmer to write code for assigned functions and collaborated with the testing team to test developed modules and prepare accurate reports.

### • Backend Developer (Nov 2018 - March 2019)

**PADTECH Industries Corporation**

Coordinated with other interns to create, update, and maintain appropriate development on assigned applications.

## EDUCATION

### • Tertiary Level (2015 - 2019)

**Polytechnic University of the Philippines**

### • Secondary Level (2011 - 2015)

**Grace Baptist Christian School**

### • Primary Level (2005 - 2011)

**Grace Baptist Christian School**
